MISSION NEWS

During this month we are particularly thinking of our local town of Bury St Edmunds as we have an update on the Bury Street Pastors Scheme and also support the work of Bury Christian Youth.

This Tuesday 17th February we will be reporting on the progress made by Bury Town Pastors since it started up almost a year ago. A number of our own people have got involved and will be telling us of their experiences thus far. The work of BCY has been going for much longer and some will remember Brian Davies paid us a visit last year to give us a brief history of BCY, also outlining some of the challenges they were facing for the future. Since then a new full time youth worker (Matt Rushby) has been appointed. He is mainly involved with working in a number of middle and upper schools in our area. Nicola Bolton still continues to run the admin side but also does five lunch time clubs each week in various middle schools. Please continue to remember the work of BCY in your prayers.

PRAYER ITEMS
