As a Church, we want to bring people to know Jesus, and into membership of His family; to develop, encourage and motivate them to worship God and to serve Him in the Church and the community

## MORNING WORSHIP

### Introducing JESUS.

This morning we begin our very first look into the subject that will fill our calendar for the next few months. Namely, introducing Jesus. It is in the face of Christ that the light of the knowledge of the glory of God shines, so why not look at Him. It is by welcoming Him into your heart afresh that fellowship is enjoyed and lukewarmness removed. Paul was so sure that the solution to everything was to introduce Jesus that he determined to preach nothing but Him. But it is the real Jesus that changes things, the Jesus revealed in Scripture. Not a different Jesus, not the Jesus of make believe or the Jesus that we can sometimes be guilty of forming and fashioning to suit our needs and beliefs. When the real Jesus is revealed things are never the same again. My prayer is that we might freshly catch a glimpse of Him, and by seeing, we are transformed, from lukewarm to white hot!

## EVENING

### The Holy Spirit and Jesus Christ

Much of modern Christianity has been looking at the Spirit, Hallelujah! But through this look some false ideas have risen. Through this look many questions have been raised. How does a Christian become Spirit-filled? Can there be Christians without the Spirit? Do we need to pray for the Spirit? How do we get the Spirit? Can we lose the Spirit? Why do others seem to have more of the Spirit than me? What does it mean to be spiritual? This evening we look into chapter 8 of Romans. I will be seeking an answer to the above whilst building a foundational understanding of the Holy Spirit.

### OFFERINGS

Our thanks to David Stannard for making and fixing the two boxes on the rear doors of the Church. Since we do not usually take an offering in the 3:16 Services, PLEASE use the boxes if you would like to make an offering on those mornings or any other occasion. They will be emptied regularly and your gifts are important to the ongoing work of the Church. Over the next month or so, we would like to see the outcome of NOT taking up an offering in the evening service but to use the boxes instead. Remember, we do not take up a collection – it is still an OFFERING – even if it is given as you leave.
