As a Church, we want to bring people to know Jesus, and into membership of His family; to develop, encourage and motivate them to worship God and to serve Him in the Church and the community

MORNING WORSHIP

INTRODUCING JESUS

Last week we saw that John introduced Jesus to a waiting and expectant nation. We might not have picked John, but God did. Jesus is introduced by John, indeed this was the purpose of his ministry, since John himself said '...for this purpose I came baptising with water, that He might be revealed to Israel.' Jhn1: 31. As Jesus is introduced He presents a massive problematical question but the answer is so so sweet. So this morning as we gather, my prayer is that we might enjoy the fragrance of life that is presented in the person of Christ in the midst of a repentant people. Amen

Mark1: 9 – 11 'WHY?'
