### Dutch Students' Visit

From the 8<sup>th</sup>-12<sup>th</sup> June, five families within the fellowship opened up their homes for 2 or 3 male Dutch students to stay.

They come from a Christian college where they are learning practical skills to enable them to gain a trade, eg Plumbing, Carpentry. The college like the boys to stay with Christian host families, to not only improve their English, but also to gain an insight into how Christians in a different culture live out their faith. Many host families had some great spiritual conversations with the boys, and I think we all became quite attached to them by the end of their stay! Their days were planned out for them with visits to Otley College, Duxford, London and Notley High School.

BRBC hosted a BBQ for all the boys (around 50) who came over, some of whom stayed with Stowmarket families. All had a great time, and both students and their teachers alike enjoyed games of football, volleyball and table football!

### We need you!

Following on from previous notices regarding our quest for new musicians, this week can we urge anyone who plays a woodwind instrument to consider playing at BRBC? Clarinet? Flute? Saxophone? We really do need you. Please prayerfully consider our request! See Gav if you are interested.
