Sunday 9<sup>th</sup> August 2009

Pastor Kenny Ross 01359 270360      www.brbaptistchurch.info

**As a Church, we want to bring people to know Jesus, and into membership of His family; to develop, encourage and motivate them to worship God and to serve Him in the Church and the community**

Pastor Kenny will be leading our services today and we look forward to hearing what the Lord will say to us, through him.

## **Morning: Introducing Jesus: The clean among the unclean** **Mark 5**

Have you ever wondered if Jesus would really spend any time with you? After all, how often have you failed? What about those times when you drop some food on your clothing or notice a stain, not everyone sees it but you do! It's as if that one small stain is screaming out to the world. Well if Jesus sees your heart, watches the thoughts of your mind and hears the muttered words rumbling within your chest, let's be honest, would he want anything to do with you? If your friend knew you as well as Jesus knows you, would they still be your friend? If not, why do you assume Jesus will?

## **Evening: Israel      Romans 9: 6**

When it comes to Israel some say they are pro-Israel, others that they are most certainly not. The pro-Israelite movement claim to be strong adherents of Scripture. Are they right? What about the Palestinians? For such a small nation, Israel occupies a lot of people minds; let's spend some time this evening thinking about Israel and the purpose of God. After all, if God is sovereign and His purposes cannot be thwarted, what does that mean for Israel?

**Thankyou, Thankyou, Thankyou** ..... we are thrilled to report that, to date, over £1500 has been given towards 'school shoes' for the children in Borneo. You have been so generous and we are very grateful. We have been busy researching the best buys for 100 pairs of good quality shoes and are currently negotiating with Barratts, the shoe company, for a good discount.
