As a Church, we want to bring people to know Jesus, and into membership of His family; to develop, encourage and motivate them to worship God and to serve Him in the Church and the community

## He has Risen!

### Easter with Marks Gospel

So far over the course of this weekend we have spent time in Mark contemplating the sacrament instituted by Christ Jesus the very night He was betrayed. We've seen that the bread and wine speak to us about the wonder, splendour and joy of Christ to those trusting in Him. Just as bread alone strengthened, nourished and sustained the life of the Israelites in the wilderness, so too today Christ alone can strengthen, nourish and sustain true/full/deep life in any individual. Do you know this abundant life? The wine given to gladden mans heart tells us that Christ's blood brings a joy unmatched by anything else. Oh the joy of sins forgiven and records wiped clean. Do you know this joy?

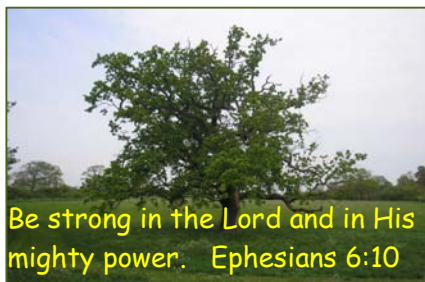

We've spent time considering that on the cross God's anger against sin was being extinguished in Jesus Christ for all those who believe. If your sins have not been forgiven then that means God's anger/wrath remains upon you still, did you know that?

And today we'll be considering the greatest news ever told; 'Do not be alarmed. You seek Jesus of Nazareth who was crucified. He has risen; He is not here.'

It is His resurrection that brings the greatest of joy to millions around the world. His resurrection that allows millions to face death without fear. His resurrection establishes the validity of the Christian faith. His resurrection that convinces believers that they are truly forgiven. His resurrection that confirms His work upon the cross was a huge success.
