As a Church, we want to bring people to know Jesus, and into membership of His family; to develop, encourage and motivate them to worship God and to serve Him in the Church and the community

## Welcome to the services today

A special welcome if you are visiting. Let us rejoice in the Lord as we worship.

Morning service is led by Mark Drury.

### Romans 1: 14-17

### Paul's eagerness to preach the Gospel.

This morning we are going to be looking at Romans 1: 14-17. In v15 we see that the Apostle Paul was *eager* to preach the gospel to those in Rome. But what made him so *eager* to do this, especially when he knew that he and his message would meet with opposition and ridicule? Let us seek to learn from the mindset of this Godly man, so that we will be inspired to proclaim the gospel more eagerly even though we know that it will not be received favourably by all.

Evening service is led by Steven Jones.

### Matthew 13: 44-46

### Priorities.

Even as Christians, we are tempted to distort the value of various aspects of our lives. Sometimes careers, education, ambitions and even family can take priority over "working out our salvation with fear and trembling". In these two very short parables from Matthew's Gospel, Jesus challenges His disciples to get their priorities right and so to lay hold of the greatest treasure of all.

Let the Word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms, and hymns, and spiritual songs, with thankfulness in your hearts to God. Colossians 3:16

## Mission under the Microscope

For your prayers in June would you please remember the Mission Committee as they meet together shortly to plan for the coming six months, that we should know God's direction as far as 'mission' is concerned. Our support this month is specifically directed towards [The Bury Town Pastors](#) and the [Beach Mission at Hunstanton](#). The Town Pastors are now established in a number of our towns across Suffolk and the difference they make to the night life in our towns is much appreciated by the Suffolk Police, the Local Authorities and last, but by no means least, by those who are helped in so many ways. Quite a number at BRBC are now involved in the Bury Town Pastors and I know they value the prayer that is made on their behalf. Please continue to pray.

[Beach Mission](#) is only an annual event (taking place this year from 7<sup>th</sup> to 14<sup>th</sup> August) but those involved would also welcome your prayers leading up to, as well as during this outreach to the holiday makers at [Hunstanton](#).

**Finally we ask for your prayers for Europe, especially during the week from 13<sup>th</sup> to 20<sup>th</sup> June. Angie has been busy handing out copies of the June issue of 'The Herald' from GBM. Inside you will find details of a number of countries with which GBM have an involvement and some pointers for prayer on a daily basis throughout the week of prayer. We have ordered extra copies and there are some spares available in the foyer. Please make use of them.**

### David Romberger CD Library

David has entrusted me with his CD's while he is in the States. They are of Bible Studies, Christian Faith topics, Life's problems and others. If you would like to borrow any please speak to me to see the catalogue and make your choice. If you have borrowed any and have finished with them please return them to me, or if you want to keep them longer please let me know the titles.

Thank you..... Brian Burman
