**Point for prayer**

Dan Balmer is recovering from an operation on his knee. Please remember him in your prayers. The recovery seems to be slower than originally expected & he is in a lot of discomfort.

## Prayer Requests - Occold Baptist Church

Δ for opportunities and ways to reach more people in the village of Occold with God's Word.

Δ for wisdom from God on decisions to be made concerning the future of the church.

Δ for God's blessing and help for the two ladies who are going to be baptised this month

Please remember in your prayers Wendy, Martin, Jessica & Thomas Davey as they prepare to travel home from New Zealand this week. They fly overnight next Saturday, arriving sometime on Sunday. Pray for a smooth & stress-free journey. It will be good to have them back with us.

## BRBC relax in the Lowestoft sunshine.....

Once again the Church outing to the beach was lots of fun, this time with plenty of sun, a marked difference from 2009! Many of the fellowship turned out to enjoy the sand, sea & sunshine on the south beach at Lowestoft, complete with picnics, buckets & spades, and also the volley ball net for those with abundant energy & a competitive spirit! Senior Youth joined us for the day with their leaders, before returning to their camp in Stonham. Take a look at these pictures & relive the fun!
