

The Sunday School Page

WELCOME to our Sunday School!!!

You can join us if you are aged between 4 and 13

Don't worry if you are younger there is a *crèche* which is lot's of fun!

And if you are older you can go to *Teen searchers*

We love to sing about Jesus our friend and about the wonderful characters we find in the Bible. We sing about Jesus' miracles, about creation and about the bible. Sometimes we even sing the songs we learn to the main church.

They love it!!

We learn songs because it's FUN

We do brain stretching *quizzes*. Quizzes on the Overhead Projector, physical quizzes, team quizzes. WE LOVE TO DO QUIZZES!!!

And we have *stories*. These teach us about Jesus and the stories we hear are the truths of the Bible.

We like to give some of our pocket money to help children in a country far away called *Malawi*. Our money is used to buy bikes for children who are disabled and sick
